

Physical Evaluation

Atonement Lutheran School's Athletic Department has a new policy. We will be requiring all student athletes to get a physical examination, once every two years, before they participate in an extra curricular sport. The "Preparticipation Physical Evaluation" form is attached below and needs to be filled out by a medical doctor and returned to the Atonement School office before your child can participate in any extra curricular sport. Our insurance company recommends that we instill this policy for good practice and liability purposes. Thank you for all your participation and cooperation.
